Intent

This policy describes the overall principles and framework used to facilitate access to Library collections and services and to establish rules and regulations for their use. This policy is in accordance with and supported by *The Public Libraries Act and Regulations, 1996* and the Saskatchewan Information and Library Services Consortium (SILS) Circulation Policy Manual.

Palliser Regional Library Membership Policy

Any person who can provide proof of established residence in a municipality in Saskatchewan that pays its annual library levy will be issued a library card, upon application, without fee.

Library Card Terms and Conditions:

- Valid library card holders may borrow library materials from any public library in the province.
- Palliser Regional Library will honour library cards issued by other SILS Library Agencies.
- Library cards are valid for three years; address checks will occur once per year.
- Card holders are responsible for any materials borrowed using their library card and/or barcode and any fees incurred as a result. Patrons must notify the library if the card or barcode is lost or stolen.

Registration of Students during Class Visits:

At the discretion of the local branch, teachers may vouch for the identity of their students, who are under the age of 14, when coming to the library for a class visit. The student will still need to present a registration form signed by a parent/guardian, which notes a piece of parental identification with address. The card will be unverified until such time as proof of address is presented.
