Briercrest and District Overview

The Briercrest and District community consists of the Village of Briercrest, the Rural Municipality of Redburn No. 130, and part of the Rural Municipality of Baildon No. 131. The Village of Briercrest provides services and amenities for the surrounding rural community. It provides emergency services (first responders), recreational facilities (rink, library, museum, park, community centre), and commercial services that can be accessed by the residents of the district.

Briercrest and District Statistical Information

As reported to/recorded by the Statistics Canada Census of 2011 & 2016

Statistical Overview					
Community	Census Data 2016	Census Data 2011	% Change	Private Dwellings	Median Income
Briercrest	159	111	43.2	67	-

Sources: Hunter & Sanchez, *Child and Family Poverty in Saskatchewan: November 2017*, PROOF: Food Insecurity Policy Research, Saskatchewan Food Costing Task Group's *The Cost of Healthy Eating in Saskatchewan*

*Based on Statistics Canada data Sanchez and Hunter found low income can be classed as \$18,213 annually for a single adult with no child, \$25,498 annually for a lone parent with one child, \$30,962 annually for a lone parent with two children, \$25,498 annually for a couple with no child, \$30,962 annually for a couple with one child, and \$36,000 for a couple with two children.

** Only Manitoba and Nunavut have higher child poverty rates than Saskatchewan (27.5% and 36.1% respectively).

Village of Briercrest

Size and Location

The Village of Briercrest is a community of 159 people located in the south-central part of Saskatchewan.

- The land area of the Village of Briercrest is 0.62 square kilometers, and the population density is 256.4 people per square kilometer.
- Briercrest is situated in the Rural Municipality of Redburn on a short-line railroad operated by Southern Rails Co-operative, and serviced by Highway #339.
- The town is also easily accessible to larger centers, with Moose Jaw 45 kilometers to the northwest, and Regina 80 kilometers to the northeast.

Facts about Briercrest

- Although founded in the village of Briercrest in 1935, Briercrest Bible College moved to Caronport in 1946. A larger facility was needed for the increasing number of students, and the airbase at Caronport became the school's new home. The school, however, continued its early history by retaining the name of its village birthplace.
- The site of the present village was purchased by the CNR in 1911 about the time the railway line was constructed.
- The name Briercrest was given to the first post office that was located on the farm of Captain Charles Jaques in 1902. Mrs. Jaques had chosen the name based the wild roses growing on a ridge nearby and agreed to the use of the name for the village.
- The book *Wheat Fields and Wild Roses: Briercrest and Districts* was published by the Briercrest & District Historical Society in 1988.
- Briercrest has a small number of businesses which supply goods and services to its residents and visitors; including the Briercrest Grain Ltd. elevator.
- The Museum is located in the former school building. On the weekend of June 30 – July 2, 2012 Briercrest celebrated its 100th Anniversary and the Museum held their Grand Opening with hundreds of past and present residents enjoying the district's antiques and memorabilia which have all been donated by local families.
- Briercrest is a strong knit community with deep roots in agriculture. There are many farms and ranches in the area, cultivating products including wheat, canola, flax, peas, cattle, and bison.
- The assessment value for the Village of Briercrest is \$11,905,800.
- For details on average income, age of population, educational levels attained, types of employment, child poverty, etc. please see tables Briercrest and District Statistical Summary.

Community Responses to Needs

Assessment

Part One: Strengths, Present-Oriented

1. What makes this community a great place to live?

- Small community/small town atmosphere
- People take care of and support one other
- Rink activities in the winter
- Many community events including heritage day and ball tournament
- Beautiful community center
- Close to two major centers and their amenities
- Great place to raise kids
- Lots of community support for events and fundraisers
- Close knit community
- Everybody knows everybody
- Safe for children
- Many community events
- Library
- Community center
- Skating and curling rinks in the winter
- Friendly people
- Family-oriented community
- Insurance agency
- Gas station
- Reasonably priced auto repairs

2. If you met someone who was new to town and they asked you what is there to do around here, what would you say? (What are the activities that are of the most interest to people in this community?)

- Rink activities in the winter (hockey, men's league, shinny, figure skating, public skating, rink suppers, curling)
- Library
- Library activities (movies, talks, police dog demo)
- Weekly morning coffee at the community center
- Community center events (dance classes for children, gymnastics)
- Museum (including hands on exhibits for children)

- Presbyterian church
- Volunteer fire department
- Brick plant Historical Site
- Many committees/organizations to join
- Playground
- Park
- Heritage Days
- Bridge group every Friday afternoon at the community center
- Piano lessons
- Men's coffee at the garage
- Women's coffee at the community hall
- Insurance agency
- The BRIC
- 4H Club

Part Two: Weaknesses, Present-Oriented

3. What are the challenges about living in this community?

- Many people have to commute for their work
- Difficult to align the interests of the various different groups in the community
- No grocery store
- Lack of sporting events for kids
- No doctor
- Driving for amenities and services
- Highway closures/detours
- Difficult to organize things because everyone travels for other things outside of the community
- Bus route to Moose Jaw schools has been discontinued
- No restaurant
- No school
- Bridge closure during winter
- Children having to be on the bus for an hour to get to school

4. If you could change one thing about this community what would it be? (How is the way you envision your ideal community different from how you see things now?)

- Re-open the grocery store
- Open the school
- Get people to value shopping locally, so our services don't close
- Get newcomers more involved in the community
- Add a convenience store
- More people coming to church

5. What are the hot button issues of this community?

- Discontinuation of the school bus service to Moose Jaw, so children need to go to Avonlea
- Bridge repairs/highway closures (taking a long time to complete)
- Dry weather
- Cut to library funding
- Untidy yards

Part Three: Opportunities/Threats

6. How would you describe your ideal vision for the future of this community? (What do you want [this community] to be for the next generation?) (What kind of Community do you want to live in and why is that important to you?)

- Continued growth
- Growth of the tax base to improve infrastructure (sewer and water systems)
- Keeping the museum open, so the legacy and hard work of this generation will be remembered
- Everyone being involved with the community, coming together in every aspect of community living
- Grocery store
- More new houses being built
- Looking after the highway better to attract people to town
- More young people to help with sports and other activities
- School open
- More young families
- Small, but busy
- Community continuing to come together to organize events
- More community spirit
- More initiative and involvement

7. What are some of the things that need to happen to create that kind of change?

- Strong agriculture economy
- Strong provincial economy to protect small town Saskatchewan
- Individuals getting involved
- More young people moving in
- Building a new school
- Keeping the school bus service to Moose Jaw so children can continue to go to school there
- Better informing newcomers about what is available and making contact with them to get them involved
- People interacting with one another more

8. What type of educational opportunities/skills/knowledge is needed to make that vision become a reality?

- Arts and crafts classes for children in the library
- Local school
- Sports and extracurricular activities for children
- Additional resources and knowledge for parents through the library or elsewhere
- Painting classes
- Ability to send children to Moose Jaw for school
- Promotional skills
- Providing opportunities for newcomers to interact in the community

9. What barriers do you see that might prevent the creation of your ideal community?

- Divide between rural and urban Saskatchewan
- Some people not wanting to be involved in the community
- The busing of students to Moose Jaw being removed
- People not prioritizing supporting local businesses
- Not having a school

10. Do you see yourself leaving in this community long term? What would make you leave this community? What would make you stay?

- Reasons to leave:
 - o Health issues/deterioration
 - o Moving to a care facility
 - o Employment opportunity
 - o Distance from Moose Jaw
 - o Commute to work/school
 - o Distance from extra-curricular activities
 - o No doctor nearby
- Reasons to stay:
 - o Established in the community
 - o Good place to raise children
 - o Everybody know everybody
 - o Support of the community
 - o Safe
 - o Enjoyable lifestyle
 - o Farming
 - o Small town feel
 - o If there was a grocery store
 - o Owning a house/land

11. Any last thoughts?

- I believe in Saskatchewan, I believe in small town Saskatchewan.
- I want to see our industries and our province grow and be productive and responsible at the same time. I think that's the key to success in any venture.
- I can honestly say that the library and the events that go on there are great.
- The librarian is very good at setting things up for the kids, having writers out and other activities.
- The library in combination with the community center is the hub of the community. We were very happy when the funding was reinstated to save the library.
- I figure it's just as easy for me to get to the amenities of the city as it is for someone to travel across the city to go to the same places. If we lose the bus I think we may lose the town. There is only a small group of us that kind of organize and run everything in the community. I'm hoping people come out and want to be involved.
- Removing our library would be another nail in the coffin for the Briercrest community.
- It was really upsetting when they were taking our library away. My son is only 4 but he loves it there. The programs they put on are really good.
- I hope they keep the bus service because if they don't the town will dwindle down to nothing because you won't be able to attract new families to the community.
- I understand that it isn't logical for us to have a doctor but sometimes, especially in winter weather, it is very difficult to get to a doctor even 10 miles away. This makes us seriously consider moving into an urban center.
